

**Are you prepared for a complete shutdown
of your IT infrastructure
due to a malicious cyber attack?**

“Resilient Accord Cyber Security Continuity Tabletop Exercise – FEA Syracuse”

**Wednesday, September 29, 2010
8:30 am to 3:30 pm**

U.S. Dept. of Housing and Urban Development
100 S. Clinton St.

Syracuse, New York 13261-7025 Office: 315-477-0616 x3006

Cyber security threats are real and dangerous, and are growing in number and sophistication. They can adversely affect the ability of government and the private sector to provide essential functions and services to our citizens.

“Resilient Accord” has been designed for senior decision makers, emergency managers, human resources personnel, IT professionals and public affairs officers. The exercise objective is to increase the awareness of the cyber threat and continuity planning considerations, so you can ensure that you can continue to carry out your mission through such an emergency.

It is strongly recommended that agencies send 1 program AND 1 IT specialist to the tabletop. This event is held in conjunction with the Rolling Earth After Action Report.
